Dear Lorraine,

"The Michael Frantz Chest" article is great! Thanks so much for your time and effort put into this interesting contribution!

We did receive some photos, and wish we could print it in the April 1992 MFH, but it's overflowing now. So you'll see this in the July 1992 issue. Thanks again!

Now, I have an apology to give to you. I mentioned as part of your article in the Jan. MFH that you are now a contributing editor for MFH, but I forgot to add it to page 3 where the list is. I'm so sorry! It is already on the April 1992 MFH, so I won't forget it the next time.

(over)

Your excitement rubbed off on me about the Dore Frantz "lost manuscript." Finds like that just overwhelm one, don't they? I'm so glad that you are the person to have this honor, even though I'm sure it's very time-consuming and tiresome at times. If you're like me, you wish you had a 30-hour day!

We would absolutely be honored to consider publishing this encyclopedia of Old German Baptist Brethren and Church of the Brethren families. Please give us the opportunity when you're ready.

The April 1992 MEH will include your article on "Researching Pa. Ancestors in Calif."

Then in July, you'll see "Armchair Research."

So this gives you time to think of some more articles by Oct. 1992. Your personal experience stories are so helpful and easy to identify with! Don't hide that gift! Keep enjoying it!

Love,

Lois Ann
