Dear Milton and Violet

A couple of months ago your brother Loren responded to my correspondence requesting info on the Frantz family. He wasn't thorough in providing details on your immediate family so I would appreciate it if you would complete the enclosed form.

I plan to compile a book on the descendants of Michael I. There are books on the descendants of Christian I but so far I haven't found extensive data on Michael's descendants. (also enclosed: a flyer on a family reunion of Christian Frantz — our gr-gr-gr-gr (etc) "uncle".)

Milton, do you have any "folklore"? I love the stories about the family. I would appreciate all data that you can provide.

I hope you're enjoying a pleasant summer. Anxiously looking forward to your reply,

"Cousin" Lorraine

Dear Lorraine:

Concerning the information you have requested.

My Sister-In-Law, Rachel Frantz, Elvins wife, has prepared
a 100 page 8½ X 11 mimeographed book on the ^(Michael)Frantz Family,
from the Michael Frantz Descendants which would be very
helpful to you. I think that she said at our last reunion
that they were all sold. But Hazel Turner, my sister has one
of them and you should by all means go to see hers at her
home in California. Her address is 27105 Cypress Ave.,
Highland California. 92346. Tele. (?) I hope she does
not live too far from your place.

Sincerely In Christ,

Milton E. Frantz

Dear Mrs. Edwards,

Please excuse this paper.
We are camping, and this is all I
brought with me.

I have completed the blanks you
checked on the paper you sent, I didn't
know if you wanted me to complete the
other blanks or not, We have moved
so much that one line is definitely
not enough!

It was nice to get your letter and
learn a little more about you.
You certainly have collected a lot
of information. How long have you
been working at it? Thank you
for the print out giving your line
from David Frost and Lewis.

Perhaps a dozen years ago we - along with Choni and Milton and their families - attended the Matthias Frautz' reunion. They were very friendly, but their knowledge of their own line before Mathias was very vague. Their genealogy has a few pages of narrative about the original three brothers, but that is the only place Michael is named. If you don't have that book I could copy these pages for you.

Perhaps I told you before that we would like to find Michael's grave, but we haven't succeeded yet.

I wish you success in your project. Let us know if we can be of further help.

Sincerely,
Eugene Frautz
