**Christmas
is LOVE!**

Peace & Joy -

It was a great blessing to
have my family Home for so
long (65yrs). In spite of the
Emotions of cleaning it out —
(breaking it up). God in His Providence
has caused flash backs that
have long been buried in the
busyness of Life — And so
I should have slowed down

Sooner than this —
I should have mentioned in Mid
Sept. I was putting all my possessions
(in my Apt) — for a Rent for the 26th.
A Class Christian Council started 26th
with four books to read / a paper to
write by 31st Oct —

No need to mention I am still
reading / a letter has to be sent
To Dr Gung —

A picture for one wall still
not up —
But Next year is coming
As the Best to you.
