WE
WISH YOU
A
HAPPY HOLIDAY SEASON
AND A GREAT NEW YEAR

Dear Family and Friends,

We look forward to hearing from all of you at this time of the year. It is next best to being able to visit with you, which we would prefer.

This year has brought some ill health to our family, yet we have much to be thankful for. Several weeks ago, our youngest daughter, Shirley, developed blood clots in her left leg. Her back had been bothering her for several days, then her leg began to swell and get hard. Bob took her to the hospital right away and within hours she had an operation which saved her leg and possibly her life. She is recuperating just fine so far and hopefully will have no setbacks. We took care of the two little boys, 3 and 5, for three weeks and Bob was with her as much as possible. It has been hard on him also as he has had to go to Las Vegas to find work since the construction business went bust in California. He gets home only on weekends. Yet he is lucky to have a good job as construction superintendent, and hopefully Shirley and the boys will be able to join him in Las Vegas as soon as the doctor releases her.

Bruce and I have had medical problems this year also, but both of us are on new medication now which hopefully will be helpful.

Our other children are getting along about the same as last year, keeping busy with activities and families. Our granddaughter, Seona, was selected to be in the Joffrey Nutcracker Ballet again, as two years ago. This really keeps them busy as rehearsals and performances are at the Music Center in Los Angeles. They live in Santa Ana.

Best wishes for you all, and stay well each and everyone.

Love Bruce & Hazel

*will try to get a letter
written real soon - Oh
maybe you will be coming
down. Bruce really doesn't want to sell the van for awhile.
Thanks for the birthday wishes.*
