Dear Lorraine -

Gloria Spanger
suggested that I send you some
material so this is in
answer to that.

Gloria and I have
had a very satisfying
correspondence although we have
not met. It started with a
newspaper query for a "Frame"
connection. However I recognized
that the relatives she named
belonged to Ruth Bailey's line
and suggested to her that she
was looking for "France".

I hope the enclosed
material will be of interest to you.

Sincerely,
Herb L. Smith

Thank you

John Franty was
listed as father of Adam Franty
in DAR records. That was
one of the many mistakes
that were not researched
properly in the beginning
of DAR. I suppose it is
my duty to send a correction
but I haven't done it.
