You have done a professional job!

One correction before you publish would be concerning my Uncle David Hamm, page 110.

You do not have his five children in the seventh generation.

335. My Father, Jacob Hamm is listed as 335 with us children on pages 142 & 143

336. Uncle Samuel Hamm you have listed as 336 and their children listen on p.143
Should not U. David Hamm be no. 334 and his children listed on page 142. They are
listed on pages 91-96 in our Michael Frantz Descendants Bk.

Following through to the Eighth Generation the children of Uncle David Hamm
would be listed on page 166 in your book before my oldest sister, Sarah Rebecca
Hamm, No. 437. Would that not be correct?

If you publish I'd like to see you use my husband's name in place of mine. The
reason is that when his sister, Hazel Frantz Turner worked on the Michael Frantz
Descendants Book we used Elvin's Blue Notebook containing Frantz Family History
gathered for Church History under Dr. Floyd Malott at Bethany Seminary, 1947. At
the time Hazel and I were working and researching on the Frantz Family Elvin was
still working for Church World Service and didn't feel like he had time to work
on Michael Frantz Descendants. You could use ELVIN DALE FRANTZ instead of
RACHEL HAMM FRANTZ, with my permission since I have gotten side-tracked with
other free lance writing.

I have enclosed a check for \$15. to help a bit with all the expenses you've
encountered thus far. If you publish we'd be willing to send at least \$15 more.

You have a computer and seem to enjoy project - Hazel has gone ahead and has done
much more research than Elvin and I. If you come to CO, come visit us!

Lovingly, Rachel + Elvin Frantz
