Rev. Jay G. Francis, Pastor,
Church of the Brethren,
138 Cumberland Street,
Lebanon, Lebanon County, Pa.

My dear Reverend Francis:

I recently read with interest your erudite paper on "The Church of the Brethren of Lebanon County," presented on September 15, 1916 before the Lebanon County Historical Society, and published in their bound reports which I found in the Burton Historical Library of this city. In fact, I was so interested that I have procured through the courtesy of Mr. Charles D. Weirick, Secretary and Librarian of that Society a pamphlet copy of your informative paper.

My interest arises out of the fortunate fact that I am the husband of Beth (Garwick) Lacy (b. 1877), daughter of Henry Garwick (1837-1902) and Anna (Zook) Garwick (1844-1889) of Clyde Township, Whiteside County, Illinois, both of whom were members of the Brethren in Christ. Anna Zook (1844-1889) was the daughter of Abraham Zook (1820-1889) and Nancy (Gsell) Zook (1823-1887), who came to Clyde Township from Franklin County, Pennsylvania about 1858. Her father was John Gsell, Jr., (d. 1873), who lived in Antrim Township, Franklin Co., Pa., and whose father was John Gsell, Sr., who settled in Antrim Township, as early as 1792, coming from the vicinity of Warwick Township, Lancaster County, Pa. Abraham Zook (1820-1889) was the son of Joseph Zook (Zug) (d. 1852) of Green Township, Franklin County, who came there from Warwick (now Penn) Township, Lancaster County. He was the son of Joseph Zug, Sr (d. 1821) and wife, Barbara, of Warwick Township, he, being the son of John Zug, (and Anna-Hefflefinger Zug), whose will was dated Oct. 27, 1804, codicil dated May 24, 1814, were proved in Lancaster County on March 11, 1822, and who died 1821/22 near Lititz, Warwick Twp (Penn), Lancaster Co. He was father of Elizabeth, who in 1780, married Abraham Stauffer (b. 1748), son of Daniel Stauffer (b. 1726) who came to Lititz in 1738/39. John Zug (d. 1821/22) was son of Ulrich Zug (d. 1747) who on July 19, 20, 1743, bought 345 acres in Warwick Twp. from Michael Baughman. (Deed Book N-425). All of these people were members of the Brethren in Christ, most of them ministers, elders or bishops, and one of the brothers of my wife was a minister of that church.

John Zug (d. 1821/22) was a very old man when he died, for when he made his will in 1804, he recited that he was then "old and weak in body." (Lancaster County Record of Wills, Book N, Vol. 1, p. 139). His son-in-law, Abraham Stauffer, moved to the vicinity of Antrim Township, Franklin County, about 1792, probably alongwith the Gsells, and he was one of the founders of the Church of the Brethren there.

I am satisfied that this John Zug was the same as John Zug (1731-1821) referred to in your manuscript. He was a member of the Brethren in Christ for 72 years, and served as a minister or bishop in that church for 52 (some say 55) years. He had a son Abraham Zug, whose wife was probably Susanna (Unrecorded deed: Aug. 17, 1805, Lancaster Co), and who served as executor of his father's will. I think he was the same as Abraham Zug, Minister of the church at Richland, and who died in 1841.

According to my record, as I have worked it out, the line was: (I am omitting names not in direct line, but I have rather fully worked out the whole tribe):

1. Hans Zug (of Switzerland).
 - (2) Peter Zug, Sr.
 - (3) Ulrich Zug (d. 1747).
2. Ulrich Zug (d. 1747) (arrived 1727).
 - (11) Michael Zug m. Barbara
 - (12) Jacob Zug m. Elizabeth. No children.
 - (13) Peter Zug
 - (14) John Zug (1731-1821/22) m. Anna Hefflefinger.
 - (15) Christian Zug (d. 1815) m. Barbara Bollinger
 - (16) Henry Zug
 - (17) Magdalena Zug m. Mr. Frantz.
 - (18) Catharine Zug, m. Mr. John Musselman
14. John Zug (1731-1821/22, m. Anna Hefflefinger).
 - (29) Joseph Zug, eldest son, (d. 1821) m. Barbara.
 - (30) John Zug (1763-1824) m. Margaret Mohler
 - (31) Abraham Zug (d. 1841)
 - (32) Christian Zug (d. bef. 1804).
 - (33) Veronica Zug.
 - (34) Barbara Zug.
 - (35) Elixabeth Zug, m. 1780 Abraham Stauffer.
 - (36) Catharine Zug
 - (37) Maria Zug
 - (38) Anna Zug.

line of my wife, the study of the people, their religious attachments and their neighbors, and the life of these early pioneers so interested me that I found myself studying the whole tribe, their intermarriages, and their neighbors, and this inevitably led me to a consideration of the whole of the Brethren in Christ communities, because of their many intermarriages and the close-knit interests and relationships of these very exemplary and thrifty, for whom I have the very highest esteem and admiration.

Knowing that your wife was a Mary Zug, I have taken the liberty of writing particularly regarding this family; and I will be very grateful to you for any corrections or suggestions you may offer to me in my preparation of a tribute I desire to pay to the tribe from which my wife has sprung. I suppose I have a thousand pages of notes on the Zooks (Zugs) and their neighbors and fellow church communicants.

I am particularly interested in writing you because I understand from Mr. Weirick that you are working out a very elaborate compilation of the Light Family and have compiled a history of the Royer family.

Will you tell me, if you know, whether or not the John Zug (1831/1821) who was the minister of the Brethren in Church of whom you wrote and who was the father of Abraham, who died in 1841, was the same John Zug who was the son of Ulrich Zug of Warwick Township, Lancaster County? Any data you can suggest to me, I shall appreciate. In return, I shall be glad to respond to your request for any information which I may have been able to gather.

Inasmuch as Mr. Weirick has been so kind to me, I am taking the liberty of sending him a copy of this letter. He will be interested to know that recently, our very fine Detroit Athletic Club, of which I am a director and the treasurer, installed a very fine mural, done by Dean Cornwall, one of the great muralists of this day, in our Club, and it is entitled "The Treaty of Lancaster". Our president of two years was K. T. Keller, of the Chrysler Corporation, a descendant of the Kellers of Lancaster County, who intermarried with the Zugs. So, you will observe that way out here in Detroit, we are looking back to your particular section of the country with considerable interest, and I hope to motor through your beautiful country next summer as we did last summer.

Sincerely yours,

Arthur J. Lacy

My dear Mr Frances -

I am greatly indebted to you for your letter. I think you have set me on the right track. I think there were two contemporary Joseph's in Green Top Franklin Co. - one; Joseph Jr, (who m. ~~Anna~~ Fanny Geel), son of Joseph Sr, (w/fe Barbara), son of John (w/fe Anna Hufferinger) son of Ulrich (who came in 1727); and ⁽²⁾ Joseph Jock (whose son Abraham m. Nancy Geel), son of Abraham (w/fe Mary Kutz) son of Moritz; ~~son of Peter~~ (who came in 1742) son of Peter (who came 1727) who may have been son of Hans. I think the Jock family now in West Whiteland Twp, Chesluto, still has the old family bible brought here by Peter who came in 1727 which probably would disclose the relationship of Peter to Hans and to Ulrich & to Moritz. Fanny and Nancy Geel were sisters, and if you do not have it I'll send you the copy of John Geel's will (d 1873) which shows this & that they m. Joseph & Abraham.

I do want your book on the Roger Family & enclose my check for \$7.50. I shall wish to communicate with Mrs Frances and probably have her check my data & supplement it as to Joseph, Abraham, Moritz, Peter, Hans & line.

Very sincerely,

Arthur J. Lacy.
