

Re: "Manor" John Frantz
Ruth Rhinehart says she
thinks she came from "John Sr.
who died in Manor Twp in
1787, leaving sons John and
Jacob, among others, per his
will. The Jacob who was
the brother of my John,
purchased the land of John
Sr but the deed did not
specify a relationship."

"John Sr. had originally
purchased his Manor Twp.
land from Christian & Barbara
Frantz from the "line".
Again no relationship was
indicated."

This was a
note by Lorraine
perhaps in
1990's.
