Dear Lorraine,

Have enjoyed your two letters and the Frantz information.
Thank you.

Perhaps in 1989, you will be able to come up sometime.

In May will be a very busy time for us - as our national conference (German Baptist) is here at Modesto and so happens will be on my brothers farm. Maybe you would like to attend it. Then we hope to go to Oregon and Washington after school is out in June.

We've had a busy summer. Went to Indiana in May for 6 days. Our oldest son age 10 fell in June and split his knee wide open and a long time healing. On June 28th, our Barbara age 6 had bladder surgery, recovered marvelously. We had company for 3 weeks in July, then the BIG reunion in August. I'm enclosing a copy of the program. My grandmother was Eliza Blocher Beachler. 450 were there, from 9 different states and Germany. A big event, lots of work, lots of activity, lots of company, and GLAD it is over with!

But I thought you'd enjoy getting to read about it.

We had a hot hot hot summer. Rejoice it is cooler.

Our four oldest children are back in school, Leah is 4 and Vaughn is 2.

Enjoy hearing from you.
