(on back)

My parents John & Mary were
married Apr 23, 1916. My father
had the flu in the epidemic of 1918. Because
he was so run down, the doctor told him
if he did not go to a better climate he
would not be alive in a year. My
father had a relative who told him that
the climate in Canada was good. In
March 1919 my folks and baby (John R.)
arrived in Irricana Alberta Canada
(Near Calgary). My father's health
improved and they lived there 18 years.
My brother Dwight & I were born
there. When we moved back to
Indiana, I was 8 years old

I will be sending more information
later

Love

Mary Catron
