Thurs A. M.

Hi Rosemary:-

The fust decided to go to
P.O. before the snow storm
settled down - so in great
haste to get this check
sent to you.

I hope you have good
luck in locating my
Frantz's. He died some
where between Ind. & Ore
& was buried along
the trail. but no
idea where.

There are several
Frantz here in
Ore. What ones
are you seaching for
or are you in the mossen

line? I have a ^{library} card for
the Univ. of Ore. but cant
use it much now since
we moved to the coast.

Sincerely,

Edna George

Dear Mrs Frantz;

Thank you for your very informative letter on the Lambersons Strebey and Mosser families. A lot of it I did not have. I also got a letter from Mrs Allmond and I found that we are cousins. Her Grandmother (Elizabeth) was my Grandfather (John Louis) sister. She writes like she is a very nice person and I would love to meet her in person.

I am sorry that I haven't written to you sooner but we had just moved (retired) over here to the coast and then My brother passed away. I couldn't think of any thing else. Now our little Daschound is having heart attacks which is a worry to us. He is our only "child".

I am sure by now that the Lamberson Mosser lines have been straightened out for you. Mr Recker has sure been a big help to us, and am so glad he has finally found his line on Jacob Mosser.

What I am most interestd in right now is your name Frantz. My Grandfather John Louis Lamberson married Susannah Catherine Frantz. Her Dad and Mother came to the United States, from Hamburg Germany in the latter part of 1836. They lived in Maryland for awhile and from there to Virginia for a short time, and than on to somewhere in Ind. Three children were born in Ind. before they came on to Oregon:

~~*Their~~ Their names were:

John Frantz, Father

Susannah Catherine (Quick) Frantz, Mother

Children:

George A. Born in Hamburg Germany, 1836

John, born in Maryland, 1843

Mary Jane, born in Ind. 1845

Elizabeth, " " " 1848

Susannah Catherine, born in Ind. 1850 (My Grandmother)

I wrote for the 1850 Census for Wabash Co. but the Frantzs there were not mine. I feel that there must of been relatives living in Ind. somewhere, for them to stay ~~there~~ there that long. How much would ~~you~~ charge to find this out for me? This would fill that line out for me.

By any chance, could this line be your husbands ? I just happened to think that they could of been with some of her people, the name would be Quick.

If you still want some more information and corrections on the Lamberson line, please let me know. I will send what I can. Timothy #2 was quite a roamer, I didn't know any of that. I didn't start on this history until every one was dead that could of told me things. Guess that's life, do things the hard way.

Please let me hear from you again soon.

Sincerely,

Edna George
