Good Morning Loraine,

Glad to make your acquaintance, Young Lady. Thanks for all of the info, especially the obit., I love little tidbits like that. Was this the Church of the Bretheren? Also the microfilm number. Most of the Frantz info I have was gleaned from a PAF I found on the computer at the LDS Family History Center in Mesa, AZ, about 35 minutes from here.

OK, where do I fit in the Frantzes? Just real quickly, starting from Mathew; His brother George was my gmother's, Emma V. (What does the "V" stand for?) Frantz, Father. Emma married Edward David Deeter. I, David Laurence Deeter, am the son of their firstborn, William Robert. I said real quickly didn't I?

I am attaching a photo of Edward, Emma and family taken in Miami, NM (Don't look for it. It dried up and blew away too) about 1916. Do you recognize the girl on the right? My Aunt Bernice, Sarah Bernice Deeter Eller, who did about 20 years of grunt work on our Deeter line, thought it was Emma's sister but didn't really remember.

Hope to hear from you soon

David
