

FLOYD D. DENLINGER

2745 "A" Street

Floyd came to Hillcrest upon his marriage to the former Helen Forney, who has been an active resident of Hillcrest for a number of years.

He was born on a farm near Dayton, Ohio, and lived there until leaving for college. He has three brothers, two living in Dayton and one in Wooster, Ohio. Floyd lived in, or near, Dayton until 1972 and at Sun City for eight years.

In High School he was a classmate of Cleo Beery, also now a resident of Hillcrest. At Manchester College, he majored in Education and Sociology, and first met Helen, who was also a student there. He taught school near Dayton, was a school administrator for fifteen years, then was with General Motors, as Personnel Executive, for 23 years.

Floyd's first wife was Esther Bright, daughter of the Brights who were missionaries in China for many years. He has a daughter who lives in Madera, California.

He enjoys gardening, golf, reading and travel, having been in Europe, South America, Asia, Hong Kong, Mexico and all the United States.

Floyd thinks Hillcrest is a wonderful place to live, especially enjoying the climate here (not as hot as Sun City), but his real reason for being here is Helen.
