Dear Lorraine,

My name is Christine Davis and we are cousins some how. I have been researching my genealogy on Familysearch.com. My great grandfather was Nicholas Hay married to Lydia Metzger. Nicholas's father was Jacob Hay married to Susanna Frantz. I was thrilled to find as much information as I did. I wish we could go back further than Michael Hay though. I would like to add to the information that you have, like Nicholas Hays 10 children, my grandmother being one of them and my grandmothers children.

My mother (Nicholas Hay's granddaughter), my sister and I just got back from our annual trip to Northern Indiana. We go to the cemetery where Nicholas Hay, Jacob Hay and the rest of the family are buried every year. As a matter of fact, we are having some of the headstones recarved as they are pretty hard to read. I would love to hear from you and to see exactly how we are related and to share any information we both have.

I hope to hear from you soon.

Dear Christine

Cleaning house and just found this and suspect I didn't answer. I would love extra info that you can provide!

I'm getting ready to leave on a 4 month research trip - and family reunions. Leaving end of May. We can keep-in-touch via e-mail. Mine is frantzugarst@juno.com

Sincere thanks for your letter. Sorry I misplaced... and I did not answer sooner. (Your envelope is dated Oct 18, 1999.)
Let's keep in touch!!

Best wishes from
