Dear Lorraine

I received your letter of June 27 th. yesterday and have had a quick look at it. Unfortunately, I have to go to India on business tomorrow for about three weeks and so have quite a few loose ends to tie up before leaving.

I was very pleased to get your letter and will peruse it in detail when I get home. I felt however that I should acknowledge receipt of your information (especially after your comment on the number of responses that you received via the GRD) as I don't see how I will be able to properly respond before mid August.

Please excuse my brief note.

Yours Sincerely,

Glen Brunskill

P.S. I have enclosed a couple of 5 generation pedigree charts that show my interests in "Mennonite" PA.
