Dear "Cuz",

How is our high energy "cousin"? Back to Charlamane yet? Hope you are well and gaining new info. In the enclosed, please note the name Barbara Moyers. We noticed that Moyer (NO "S") is one of your lines. Somehow we concluded that before Barbara Moyers married Isaac Neff (b. 1762), she may have married a Moyers? Somewhere we concluded Barbara's father was Kohor Boon (c. 1734). Do you have anything on Kohor Boon and his children? Could Moyer be a corruption of Meyer or vice versa? Is Kohor a German name? Do you know its English equivalent? I read the genealogy of President Eisenhower - that Daniel Boone may have been his distant Cousin! Did Daniel Boone have any Brethren ancestors or cousins I know President Eisenhower ~~didn't~~ did!

Our Mary Goodman (1814-1898) may be part of the Gutzman family; - ever heard of that surname?

We're ages 67 & 61 now. In mid Aug. 1998 I drove a 25 ft. rented moving van from Wheaton, Ill. to retire to Modesto, CA. We pulled our '89 Caprice chev. on a carrier behind the van. We took Route 40 west and 99 north.

Only a cousin could do that!

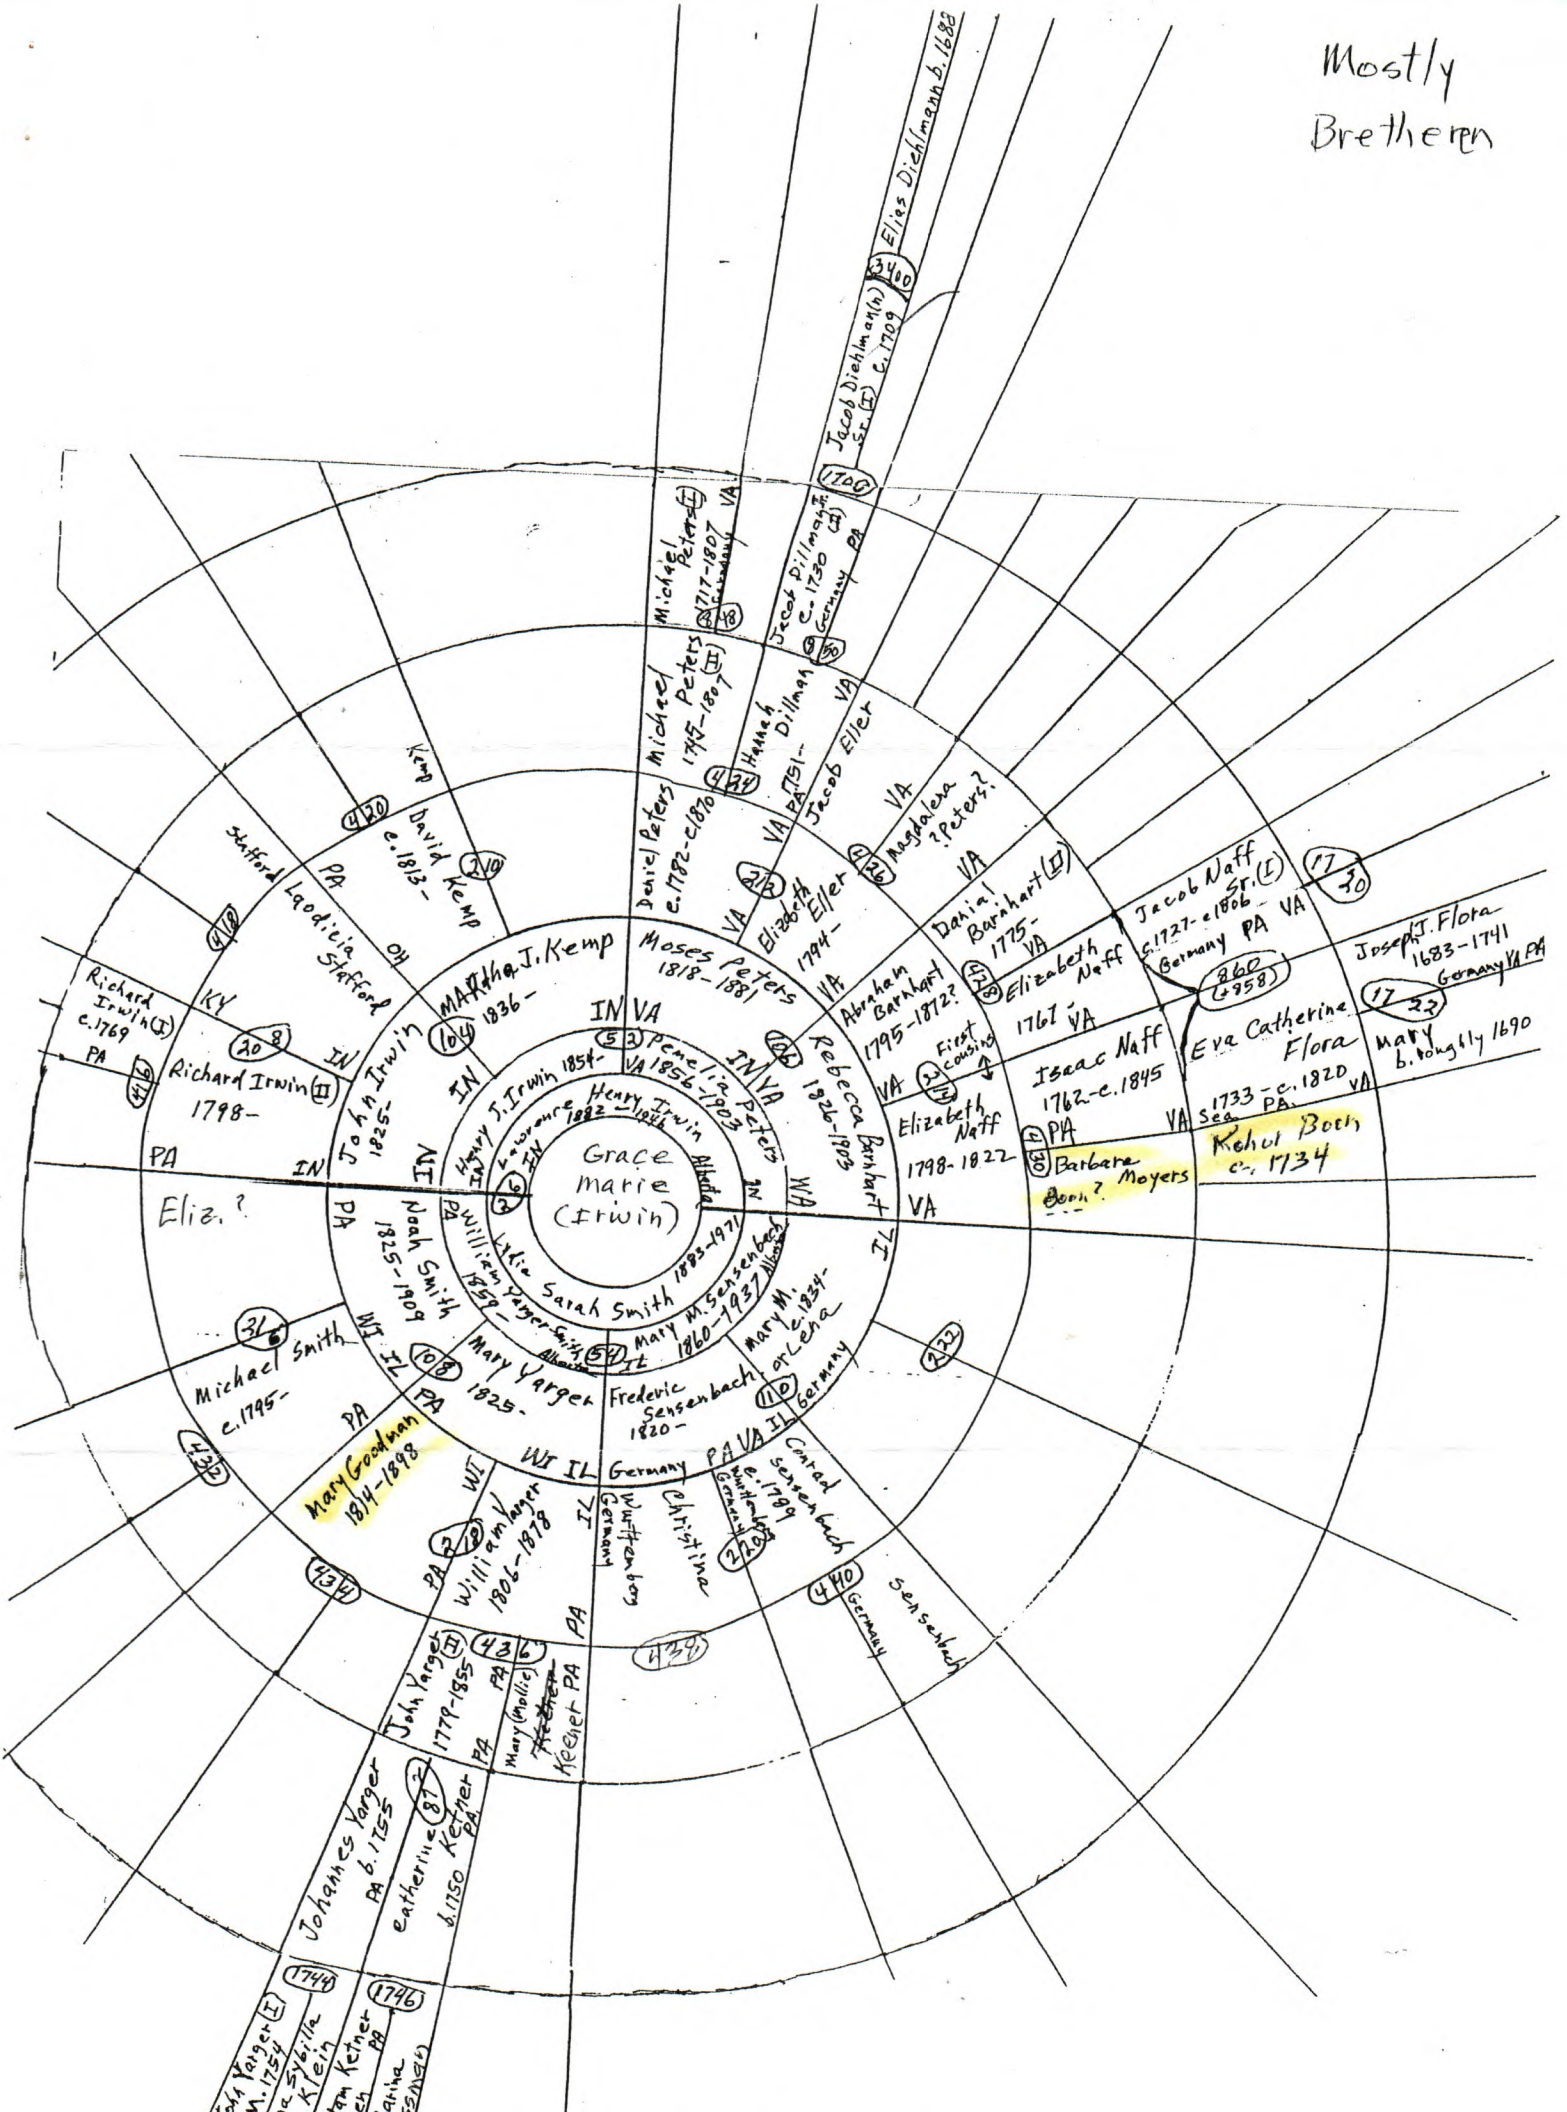

If you have any newsletters since 1996, please send one or two - we love your enthusiasm!

One of the largest churches in Modesto is "Big Valley Grace Community Church" on Tully Road. It was founded by the Brethren but somewhere along the way became independent of that denomination. We see many German Brethren in town - ladies wearing nets, especially in fabric stores and quilt shops. My wife, Marjorie is a lecturer on quilts. She is also a fabric artist and has her work displayed coast to coast and elsewhere around the world.

May the Lord bless you and keep you safe.

Dear Lloyd

Thank you for your recent letter. Sorry but I cannot provide you with additional info.

Re: Moyer. I found Moyer + Meyer names in the same family (brothers + sisters).

No, I'm not back to Charlamane (ha!). In fact I rarely "do" genealogy any more. I really got "burned out" on the Frantz book project. I'm not sorry I did it but it was a one-man-project that depleted me physically + financially. (I'm not very "high energy" any more!)

All my family history is primarily desc. of immigrant Michael Frantz and collateral lines. I don't recognize many of the names you mentioned.

In Modesto, I have many "cousins" in the 'Old German Baptist Brethren. They were very helpful with family info

while I was collecting data
for the books.

I haven't done any news-
letters recently but will put
you on the list for "next
time" (ha!)

Best wishes from very hot
Lancaster.
