Dear Frank

I can't remember whether we have corresponded before. I'm always writing to "cousins" but often fail to document it in a "log."

Are you actively involved in family history? A cousin named Linda Wells mentioned your name in a recent letter.

I am a fanatic on the subject of genealogy! I love it!! I spend every spare minute doing family history - evenings and weekends. I write notes and letters (like this) on my lunch hour - at work.

My major interest is the Frantz family - and I've

spent years compiling info which was published last year. Of course, the name of Neher is interwoven with Frantz and I have documented all the Neher info I can get my hands on.

Perhaps you can share some info on your immediate family (parents, grandparents) and I can see if I have you in my computer database (over 36,000 Frantz and collateral lines). I'm always anxious to bring families up-to-date, up to the minute.

I'm enclosing a flyer re: the Frantz books. They are so expensive, nobody can afford to buy them! They are available now, on microfiche, from me for \$50. (39 " "). Later they will be available on CD-ROM. The LDS Family History Center has it on microfilm 1307695.

I look forward to hearing from you. Enclosed is a SASE for your convenience.

Sincerely,
Lorraine
