Dear Lorraine,

I am a GGG-Granddaughter of Solome Frantz Miller and I am researching her family. I am told that you have published a book on the Frantz family and am interested in obtaining some information on this line of my family.

Enclosed is data I have on Salome. I am also sending descendants of hers and Abraham Miller, her husband to share with you. I am still researching for more descendants and this is what I have thus far.

Any help or information will be greatly appreciated.
Thank you in advance.

Sincerely,

Carol Albrecht
