Dear Lorraine:
We have been here in
Miami since Dec. 19th
left Fresno. Nov 30th
home around Mar 1st.
Did you know your
Grandparents will have
their 70 wedding Anniv
Feb 17th. I thought it
was around 3rd of Feb.
so I sent a card & called
them yesterday. Aunt Inez's
heart is bad so doesn't
do much. Uncle J. has
good & bad days but still
drives the car. Send them a
card & tell your mother too.

The Sausage Tree (Kigelia Pinnata) here in
Florida is a native of tropical Africa. The
odd fruit which resembles
from cords are not edible.
70C48 my sis came
to Feb with us.
