Dear Lorraine,

I hope your holidays were reasonably pleasant and that you're getting through these long winter months (although I guess your winter weather isn't quite as cold, icy and dark as ours...).

My brother Jake has your Frantz Family books, now. I'm anxious to get them back because I didn't get nearly the time with them I needed when I gave them to Jake in December (we both spent some time in Springfield for the holidays, he coming from Arizona and me from Maine--we're about as far apart as you can get).

Enclosed is an updated version of the genealogy of my particular part of the Studebaker family. I hope you have genealogical fun with it!

Your cousin,

Jeri

Dear Jeri

Sincere thanks for the large envelop full of family information. I really appreciate the data — and your thoughtfulness! I'll check it against the info in my computer and update my files.

I live in an area that is considered "desert." We have had rain from El Niño but nothing very destruct-ive like the coastal area and Northern Calif, Oregon and Washington. My mobilehome has been "high and dry" (Praise the Lord). I can't complain; our weather hasn't been bad!

I hope Jake enjoys the books. Did you find them helpful, Jeri?

GOD BLESS YOU

Thanks again and best
